Oakley Area Chamber of Commerce Membership Investment Form

To be included in the Membership Directory your investment form Must be received by February 14th, 2011. No exceptions! Your membership is voluntary and is open to any business or person wanting to better our community. Your membership is tax deductible.

Thank you for your interest in becoming a member of the Oakley Area Chamber of Commerce. Together we can make a difference in our community! I would like to take just a minute of your time and let you know we have made some changes to our investment forms and to our benefits. We feel these changes will give you the best possible experience with the chamber of commerce. The new forms are simple and give you the option of paying your dues all at one time, or paying a small monthly amount. We are giving you, the businesses owner, the option to choose your benefits in a package deal. We realize that this may cause some confusion at first and that you may have received certain benefits in the past, but realize that the same benefits are now in a higher costing package. If there are any questions please feel free to contact Jodie at the chamber office.

There have been some questions this past year regarding multiple businesses. The Chamber board has given this a lot of thought and consideration and we have come up with the following.

- If your business has multiple locations, and each location has DIFFERENT EIN numbers each business must fill out its own investment form.
- If your business has multiple locations and each location runs off of one EIN number then your business can run under one membership.
- If there are 2 businesses that occupy the same building, such as renting office space. Each business will need to fill out an investment form.

If there are any questions regarding this matter please feel free to call me at the Chamber office and I can explain it to you. We are trying to make things simple for everyone and to where everyone benefits from being a chamber member. There are several events that we have planned for the 2011 year and hope that we can include all of our local businesses in them.

If you are a renewing member or becoming a member for the first time, please go to the Discover Oakley website and let me know what categories you would like to be listed under, keep in mind that the website will only allow you to be listed under 3 categories. If you do not let me know, I will choose for you. This is something that can be changed at any time during the year.

I look forward to making 2011 a great year and I look forward to working with not only current chamber members but also look forward to welcoming new ones.

Thank you for your time and interest in the Oakley Area Chamber of Commerce and I look forward to answering questions from you and working together to make Oakley a great place to live, and work.

Thank you,

Jodie Wright
Executive VP
